

Sun-drenched beaches and the cool breezes of the Atlantic Ocean bathe you in gentle relaxation. The rhythm of the surf and the happy banter of families and seagulls are the musical back-drop. Rested? Now explore all that Ocean City has to offer. From swimming and surfing oceanside, to experiencing the many water sports bayside - Sailing and Parasailing, Boating, Jetskiing and Windsurfing - are just a few ways to conquer the water. Fishing, whether deep sea or in the bay, yields incomparable challenge for the weekender or expert. Aptly named the "White Marlin Capital" of the world, Ocean City's waters also abound with bluefish, tuna, flounder, and, of course, the coveted blue-crab. If you are not one to catch your dinner, the finest in seafood is available from a wide variety of restaurants and eateries. Wash down the day's activities with cool refreshment and the host of nightlife in the resort's pubs, taverns and nightclubs. Golf courses, amusement parks and the famous Ocean City Boardwalk are only a short drive away. Exciting shopping of every variety is within walking distance from the Plaza, in the fine malls and their many specialty shops.

Endless entertainment and the Ocean surround the Plaza, but to find out what fabulous features are under it's roof; just look inside.
