

AFFORDABLE LUXURY

Inside this attractive seventeen-story condominium you'll find 220 comfortable units professionally designed with luxurious living in mind. Three choices of apartment layouts are offered - featuring all the conveniences of home. Each unit comes fully equipped with a continuous-clean oven, microwave, dishwasher and washer/dryer. For your convenience, each master bedroom contains a dressing table and sink with mirror. From the exquisite balcony views to the efficient use of space, each unit declares luxury. Thermabreak windows, and sound absorbent walls between units mean year 'round living in thoroughly insulated, energy-conscious apartments. A superior sprinkler system lends total protection to the building.

Other features include the four hi-speed elevators that whisk you to the luxurious 322 foot oceanfront deck where you can soak in the hot tub or cool off in either the indoor or outdoor pool. Private parking on landscaped grounds offers more than ample space for automobiles.
